

MINUTES OF MEETING OF THE BOARD OF DIRECTORS OF WORLD CUBE ASSOCIATION

A California Nonprofit Public Benefit Corporation

On August 6, 2019 at 9:00 a.m. PST, the Board of Directors of World Cube Association (the "Board") met for a regular meeting via Google Hangouts. The following directors were present at the meeting:

Alberto Pérez de Rada Fiol
Christopher Wright
Ethan Pride
Robert Burton

BOARD MEETING FREQUENCY

The Board agreed to schedule quarterly Board meetings. Attendance at such meetings shall be subject to the WCA Board Attendance Policy.

MAJOR CHAMPIONSHIPS

As a result of negative feedback regarding the timing for applications with the current round of Continental Championships, in conjunction with feedback from Ethan Pride regarding the difficulty of planning the World Championship in less than one year, the Board agreed to open application periods earlier and extend their length to offer organizational teams more time to apply and give the successful applicants more time to prepare. The following timetable was agreed upon:

Type	Year	Location	Applications open	Applications close	Board decision
World	2021	World	January 1, 2020	March 31, 2020	April 30, 2020

*Announce at the previous competition if one exists

The Board agreed to enforce agreements between the WCA and the respective organizational teams for Continental and World Championships. Such agreements will likely be general at first and become more specific in later iterations.

The Board discussed the feasibility and merit of the Continental Championship applications received. It was decided to provide each applicant with an interview before making a decision.

The Board discussed an email from the WMT about seeking sponsorships for individual championships. The Board decided it is better to allow organizational teams to seek their own sponsorships and ask the WMT to concentrate on seeking sponsorships for the WCA as an organization. Members from the WMT may be assigned to each championship to coordinate brand visibility.

WCA EXECUTIVE ASSISTANTS TEAM (WEAT)

The Board agreed to create an official team for the Executive Assistants in the Motions. Since the Board directs the Executive Assistants, we believe the team should not have a Leader. An amendment to the Motions is required to accommodate leaderless teams.

WCA DUES SYSTEM POLICY

The Board agreed to waive the requirement for collection of dues for multi-nation 3x3x3 Fewest Moves simultaneous competitions because of the administrative difficulties of coordinating the collection of dues and their negligible impact on our annual budget. A new version of the policy (v1.3) will be drafted and voted upon to this effect.

ANNUAL MEMBERS MEETING

After a successful test using Zoom for a meeting among the Board members, it was determined that we would use this service to host the annual members meeting in October. All Staff members will be invited to attend, but only Senior Delegates and Committee/Team Leaders will be given permission to speak at the meeting. Staff members may provide their questions to their Senior Delegate or Committee/Team Leader privately or in the chat. The meeting shall be recorded and disseminated to Staff so those who could not attend the meeting will not miss any information. An email will be sent to Senior Delegates and Committee/Team Leaders to draft an agenda for the meeting.
